Dear Dr Falconer

Dean Klinck, acting president of the University tells me that you are planning to come out here in April. He and all of us would be delighted if you could time your visit so that you could be with us at our address & congregation at the Graduating Exercises, May 1st first.

It is at his request that I am writing to ask you whether this can be done - We have had President Wilson of Manitoba and President Tory of Alberta on previous occasions.

Yours very Truly

A D Scott

Dear Mr. Scott:

I am sorry to have to say that my visit to the West has been cancelled. Yesterday I received a letter from the Secretary of the Alberta Educational Association intimating that owing to the prevalence of influenza and the difficulties of railway transportation they have decided to cancel it for this year. I shall therefore postpone my visit to some future period.

With kind regards, I am,

Yours sincerely,

President.
